Alexei Lyashenko

Front-end Developer

About me

I am highly motivated in education at Front-end and overall in programming, like to learn new technologies. I am able to cope with tech documentation and challenging projects. I deeply think about facing issues and I would like to be a part of the team to discuss with more experienced members.

I want to improve my skills in programming and get some new challenges in future work.

Courses

- **The Rolling Scopes School Javascript/Front-end 2022**
